NPK (17-8-25) Fertilizer

NPK 17-8-25 compound is granular in shape and is a high-potassium fertilizer. Its hardness is 6- 8 N. The NPK fertilizers' granularity, between 2-4mm, is a minimum of 90%. These fertilizers are formulated to the highest quality standards, utilizing modern technology and the purest raw materials. NPK 17-8-25 is a balanced fertilizer suitable throughout the plant's life cycle, ensuring the highest quality and quantity of yield.

Application

1) NPK compound fertilizer is a quick-acting nutrient source in agriculture, enabling growers to adjust formulas according to crop needs and enhance nutrient utilization. Its operation requires no manual labor, saving costs. Key benefits include:
2) 100% active ingredients.
3) Time-saving methods, such as fertigation and foliar application.
4) Enhanced plant absorption and high efficiency, maximizing the benefits of fertilizer.
5) Water-soluble and chelated trace elements prevent antagonism with phosphorus.

Technical Specifications

Properties	Results
Appearance	White Granular
Total Nitrogen	17% Min
Total Phosphorus (P2O5)	8% Min
Water Soluble Potassium (K2O)	25% Min
Moisture	0.5 % Max
Size (2-4mm)	90.0% Min
Granule static strength	3 Mpa Min
Free Flowing	100%

Packing

25kg, 50 kg bags, small bags, 700kg, 800kg, or 1000kg jumbo bags, or break bulk, or as requested.

Benefits

The compound fertilizer is produced from the purest ingredients and is free of sodium, chlorine, and heavy metals. The NPK fertilizers promote plant absorption of nutrients during sprouting and increase the utilization efficiency of nitrogen and phosphorus nutrients. The component in nitro-phosphate can encourage the movement of phosphorus and improve its space efficiency. Increase the nitrous utilization and absorption quantity of plants.

Storage

1) Prevent moisture absorption, keep away from heat,
2) Store in a well-ventilated area; avoid contact with acids and alkaline substances.
3) Protect from dust.
4) Ensure bags are sealed and in good condition

Comments

Typical chemical and physical properties do not constitute product specifications and are not guaranteed or warranted. These properties are provided for informational purposes only.

PLEASE OBTAIN A PRODUCT SAFETY DATA SHEET FOR MORE INFORMATION.

This product's Safety Data Sheet (SDS) provides essential information about the environmental, health, and safety precautions needed for its handling and storage. You can obtain the most up-to-date version of the SDS by contacting a representative from Polestar Worldwide General Trading LLC.
